Tucked away in the northern Caribbean lies a small wonder with a big reputation: Anguilla.

Ringed by 33 white sand beaches with crystal clear waters, a contemporary international style, extraordinary vistas, world-class accommodations and idyllic tropical escape.

This tiny island, only 35 square miles of magic is a spectacular retreat for couples, families or singles, and it’s fast becoming a favorite for multigenerational travelers. And for those who thought you couldn’t mix business with pleasure—just ask our meeting and incentive travelers; they will tell you that Anguilla really does offer the best of both worlds.

Anguilla is inviting, intriguing and truly incomparable. We value our visitors as much as visitors value the time they spend on our island. We proudly invite you to experience Anguilla—culture, our traditions, and the warmth and friendliness of our hospitable people.

stay in style and collect affordable experiences

On Anguilla accommodations are as you want them. From the comfy to the luxurious, we offer lodgings that are among the finest in the world.

All languishing in the sun. Waiting to welcome you. Four of the ten top hotels in the Caribbean are here. Internationally rated, with accolades from travel editors, Anguilla is home to luxury 5-star resorts, over 700 spectacular villa rooms, cozy guest houses, handsome condominium residences and a collection of delightful small and intimate hotels aptly named “The Charming Escapes Collection”.

Some accommodations come with stunning designs, others, the end word in simple sophistication. All are anxiety free and have beaches so close there is no escaping them.

“Anguilla is ranked number one world’s best all around beaches”

Escape. There really is such a place. A respite for travelers. Off the beaten path, but oh so well worth finding. Take flight to a time and place that is perfect from start to finish. Ultimate bliss. With no-worry weather. Warm smiles. Open arms. Gentle souls and full-size hearts. Where worry is absent and skepticism takes holiday. See colors you have never seen before. Born with every new rainbow and with every sunset. Colors that live in your memory. The sounds of water, slashing, rippling, lapping and murmuring. Where blues are bluer and lights are brighter.

“Anguilla is the latest playground of the rich and famous but this Caribbean Island welcomes us all”
a getaway for everyone

Food is a central feature of the Anguillian experience. There are almost 100 restaurants to choose from, each designed to make dining a superlative experience. From gourmet, fine dining options to casually elegant beachside bistros to tasty local BBQ’s – there’s something for every palate in Anguilla.

“Along with astonishing beaches – there are more than 30 of them, Anguilla now has equally astonishing new resorts and an energized restaurant scene... they’re the swank club in the Caribbean with no sign on the door: if you didn’t know it was there, you’d just sail on by...”

Each designed to accommodate touches that make dining a superlative experience. Soak up the ambience as grills sizzle. Our cuisine is truly inspired. Take your pick! The self-taught prepare festive roadside fare. Inactivity may be the order of the day but when night falls all roads lead

Take a quick sailboat ride over or better yet a glass-bottom boating experience or a moonlight cruise from Anguilla to either Sandy Island, Prickly Pear or Scilly Cay, and discover the many species of colorful fish and coral: turtles, rays and much more. Bring your beach towel, snorkel, have lunch, swim or just simply sun bath for the day in total tranquility.
meet and greet

We are a people best known for our hospitality and a way of living that allows you to simply let go. Tune in to the local environment. Immerse yourself. Meet our people. This is the human spirit of Anguilla. Proud, warm and welcoming. Exquisite to experience. Unforgettable.

on sea

Our passion for the sea is boundless. Nautical traditions and a reliance on the sea has made boat racing Anguilla’s national sport and year round pastime. We have 33 beaches including Shoal Bay East, ranked among the most beautiful in the world. Sun. Swim. Snorkel. With little or no underwater current, diving anywhere around Anguilla is ideal for beginners – shallow dives begin at 35 feet.

a thrill out of golf or a rematch at tennis
